East Irondequoit's Physical Education Program is an integral part of the total education program. It seeks to provide all children from the highly physically gifted to the physically challenged with the opportunity to experience the development of the following: physical fitness, a favorable self-image and creative expression. We encourage the development of acceptable patterns of personal behavior that include but are not limited to: cooperation, initiative, trust, respect and leadership/followership. All of East Irondequoit classes are co-educational.
